Firstly many thanks for your interest in us as an educational institution and for considering us at this stage in your career. The fact that you are looking at what we are about and what we can offer is both humbling and also important to us all here at the Academy.

It is an incredibly exciting time to be joining The St Lawrence Academy. Our academy has placed the quality of education at the heart of all that we do since we opened our doors back in 2008. Our building and facilities are something we continue to be very proud of with a significant amount of care and attention placed in ensuring our future plans and budgetary commitments match our ambition and intent.

The importance we place on our systems, digital platforms, technologies and staff access plus training continues to be a high priority to ensure that staff are fully resourced and comfortable but also that our students have the best access to learning resources that support, extend and challenge their learning journeys and outcomes.

Ruby Pollard:

I believe that as a student of The St Lawrence Academy the academy provides all students with the opportunity to thrive in life. There are so many opportunities for students to take to develop so many skills for the bright future. The academy is a place where so many students can succeed with the support from all staff in educational and personal matters. My time here has developed me as a person, this is a place where maturity is fostered within all students. I enjoy fulfilling my leadership roles such as Deputy Head Prefect and many more due to the amount of areas for achievement. I hope to go on to study law in my future and the academy has prepared me for this. The options provided by the school encourage many different career paths in which all students can succeed in life.
